

PRAVYA TECH Proposal & Company Profile Management System (PMS)

A lightweight, practical system specification for **PRAVYA TECH's Admin** to share **Company Profiles** and **Project Quotations**, track client view engagement in real-time, and manage contract renewals.

1. Two Generation & Sharing Modes

The system supports two primary modes from a single dashboard:

2. Document Breakdown

Document 1: Standalone Company Profile (9 Pages)

Used when introducing PRAVYA TECH to a new lead:

- **Page 1:** Company Profile Cover (Prepared by Sales Head, Office Address, Contact info)
- **Page 2:** Profile Cover Letter (Founder & CEO signed intro letter)
- **Page 3:** Mission, Vision & 4 Core Values
- **Page 4:** Services (Design & Illustration, Website Designing, Research & Analysis, Content Marketing)
- **Page 5:** Work Process (Steps 01 to 05)
- **Page 6:** Top Clients Showcase (BNI Members)
- **Page 7:** Top Clients Showcase (International)
- **Page 8:** General Terms & Conditions / Statement of Work
- **Page 9:** Back Cover (Branch Offices: Rajkot 150ft Rd, Gondal Rd & California USA)

Document 2: Project Proposal & Quotation Package (12 Pages)

Used when pitching a specific project / product quote:

- **Pages 1 & 2:** Dynamic Project Cover Page & Custom Cover Letter
- **Pages 3 to 8:** Embedded PRAVYA TECH Company Profile & Client Case Studies

- **Page 9:** Dynamic **Project Rate Estimations & Line Items**
 - **Page 10: Payment Methods & Bank Details** (SBI Account, QR Code & `PRAVYA2618@OKSBI`)
 - **Page 11: Acceptance of Quote & Client Sign-off block**
 - **Page 12:** Back Cover & Branch Contact details
-

3. Step-by-Step Admin Workflow

Step 1: Choose Type & Enter Info

- **Select Type:** `Company Profile Only` OR `Project Proposal & Quotation` .
- **Client Details:**
 - Client / Contact Person Name (e.g. *Mr. Mohammad Sharif*)
 - Company Name (e.g. *Genie Connect*)
 - WhatsApp Number & Email
- **If Quotation Selected (Mode B):**
 - Project Title & Subtitle
 - Line Items & Pricing (e.g. *₹ 1,50,000* or *9 OMR/Member/Year*)
 - Contract Duration / Renewal Period (e.g. *1 Year*)

Step 2: 1-Click WhatsApp & Tracked Link Generation

- System creates a unique private link: `pravyatech.com/p/{token}`
- Click **"Share via WhatsApp"** to open WhatsApp Web/App with a ready message:

"Hi Mr. Mohammad Sharif, please find the PRAVYA TECH company profile and proposal here:
<https://pravyatech.com/p/pv7x8k>. Let us know if you have any questions!"

Step 3: Real-Time View & Engagement Tracking

The Admin Dashboard logs every interaction live:

- ☐ **Client Opened Link:** e.g., *"Opened 10 minutes ago — Viewed 3 times (iPhone / Safari)"*
- ☐ **PDF Downloaded:** Timestamp when the client downloaded the PDF.
- ☐ **Not Opened:** Helps you know when to send a friendly follow-up.

Step 4: Renewal Reminders (For Quotations)

- Highlights contracts expiring in **30 days** or **overdue**.
 - **1-Click Renewal:** Duplicates the quotation, updates dates for the next year, and generates the new renewal proposal link instantly.
-

4. Lightweight Database Schema (2 Tables)

Table 1: `proposals`

Column	Type	Description
--------	------	-------------

id	BIGINT (PK)	Auto-increment ID
type	ENUM	profile_only , quotation_proposal
proposal_no	VARCHAR	e.g. PRV-2026-001 (or null for profile)
client_name	VARCHAR	Client contact person
company_name	VARCHAR	Client business name
phone	VARCHAR	WhatsApp number
email	VARCHAR	Client email
project_title	VARCHAR	Project / Service name
amount	DECIMAL(10,2)	Total quote amount
currency	VARCHAR	INR (?) , OMR , USD (\$)
pdf_path	VARCHAR	Path to generated/uploaded PDF
unique_token	VARCHAR	Short code for URL (/p/{token})
sent_at	DATETIME	Sent date & time
first_opened_at	DATETIME	First open timestamp
last_opened_at	DATETIME	Most recent open timestamp
view_count	INT	Number of times opened (0, 1, 2...)
renewal_date	DATE	Contract expiry date
status	ENUM	sent , viewed , accepted , renewal_due , renewed
created_at , updated_at	TIMESTAMP	Timestamps

Table 2: proposal_views

Column	Type	Description
id	BIGINT (PK)	Auto-increment ID
proposal_id	BIGINT (FK)	Links to proposals.id
viewed_at	DATETIME	Timestamp when opened
ip_address	VARCHAR	Client IP
user_agent	VARCHAR	Device & browser info

5. Client Viewer Experience (/p/{token})

When the client opens their private link:

1. **Interactive Viewer:** Clean mobile and desktop viewer displaying the PDF.

2. Actions:

- ☐ **Download PDF**
- ☐ **WhatsApp Us Directly**
- ☐ **Accept Quote** (Optional 1-click confirmation)
