We are not developing the technology,
We are technology.

Proposal Coverletter

RECIPIENT

Date : 23/05/2026

Mr. Mohammad Sharif
Director

PRAVYA TECH is pleased to submit this website development proposal. We understand the importance of a strong digital presence and the role a customized, user-friendly website plays in building trust with customers.

The proposed website will be performance-driven, responsive, scalable, and optimized for a seamless user experience. Our team combines creativity, technical expertise, and industry knowledge to align every deliverable with your business goals.

The enclosed proposal includes the project scope, timeline, technologies, and cost breakdown. We are committed to transparent communication, timely delivery, and long-term support.

Warm regards,

PRATIKBHARATHI GOSWAMI
FOUNDER & CEO

PROJECT PROPOSAL

Thank you for considering PRAVYA TECH. We look forward to building a lasting partnership.

A Creative, Strategic & Accountable Design Agency.

OUR VISION

To become a global leader in mobile-first technology by empowering businesses and individuals with innovative, intuitive, and impactful digital solutions.

OUR MISSION

To design and develop smart, scalable, user-centric mobile and web applications that solve real-world problems with simplicity, speed, and a seamless user experience.
